Helt ny Princess F50 – Modellår 2026 – Klar for levering

Nå har du muligheten til å sikre deg en fabrikkny Princess F50 fra 2026 – den nyeste utviklingen av den svært populære F-klassen, hvor moderne design, avansert teknologi og imponerende ytelse møtes.

Med doble Volvo Penta IPS 800 motorer (2 x 600 hk) med joystickstyring inkludert Assisted Docking og DPS, leverer denne yachten enkel manøvrering og en toppfart på ca. 35 knop.

Med en lengde på ca. 15,6 meter og en bredde på 4,34 meter tilbyr F50 romslige løsninger og smart planløsning for maksimal komfort om bord.

Planløsningen gir plass til opptil seks gjester i tre elegante kabiner, samt to bad. Store skrogvinduer slipper inn rikelig med naturlig lys og gir en luftig og luksuriøs følelse.

På dekk er båten designet for sømløs overgang mellom ute- og inneområder. Salongen flyter naturlig ut i cockpit, mens flybridgen byr på gode sitteplasser, wetbar og solsenger – perfekt for avslapning og sosialt samvær.

Dette eksemplaret er svært godt utstyrt og inkluderer blant annet:

- Assisted Docking og DPS
- 4x Volvo/Garmin 16" multifunksjonsskjermer
- Allure Styling Collection
- Landgang (passerelle)
- Sideporter i cockpit
- Hydraulisk bimini

Innredet i elegant mattlakkert valnøtt gir båten en varm og moderne skandinavisk stil, kombinert med Princess' velkjente kvalitet og finish.

Princess F50 regnes som en av de mest komplette flybridgebåtene i sin klasse – med en perfekt balanse mellom ytelse, komfort og brukervennlighet.

En sjelden mulighet til å sikre seg en fabrikkny, svært godt utstyrt yacht klar for kommende sesong.
