Step aboard the all-new Princess V55, a stunning blend of performance, luxury, and innovation. Powered by twin Volvo D13-1000hp engines with joystick control, this yacht delivers exhilarating performance and precision handling at all speeds.

This V55 is very well equipped, designed for both comfort and convenience at sea:

- ? Second cockpit station for effortless docking
- ? Hydraulic passarelle for easy boarding
- ?? Full air conditioning with reverse heating for year-round cruising
- ? Three spacious double cabins and two beautifully appointed heads

With sleek exterior lines, a spacious open cockpit, and a luxurious interior finished to the highest standards, the Princess V55 is the ultimate expression of sport yacht style and practicality.

? Contact us today for full specifications, price, and a private viewing of this exceptional Princess V55.
