This boat is from 2007, but was launched for the first time in 2013 and has only 10 engine hours. She is in mint condition and is like new! This is the model that more than anyone else reflects Riva's natural stylistic evolution from the past to modern times. The soft, stylish lines of this 33-footer fully embody a sense of tradition; the fine, skillfully crafted timber (mahogany with maple inlays) used for the deck and the elegant leather finishes on the dashboard and the steering wheel enhance the pleasure of cruising on a timeless, classical yacht, offering unmatched comfort and emotions.
